

## **When your doctor orders testing by Belay Diagnostics**

BelayPromise supports providers and their patients through the coverage and billing process.

For test information, billing or any other questions, please contact Belay Customer Service at 331-320-0155 or [billing@belaydiagnostics.com](mailto:billing@belaydiagnostics.com).

Our mission is to serve patients  
and those who care for them.

## Patients should have access to healthcare

If your doctor suspects a brain tumor, **Belay Summit™ 2.0** advanced molecular test may be ordered to evaluate your unique genomic profile.
